

The Village of Saukville

Spring/Summer 2011

FROM THE VILLAGE PRESIDENT...

Dear Friends:

Spring is in the air ... the days are getting longer ... we're in Daylight Savings Time ... and looking forward to another warm and wonderful summer. However, before looking ahead to those nice months, I'd like to reflect a little about the year 2010 and the changes that took place in our fine community.

The points listed below are a synopsis of my State of the Village address which was presented to the Saukville Chamber of Commerce and the Port Washington-Saukville Rotary Club. It can also be found on the Village's website in PDF form.

The theme of the Power Point Presentation was that I believe Saukville has an "APP" for each of our needs and then I went on to explain them further:

Saukville prides itself on having a full-service Police Department. This group continues to remain on top of their profession with the purchase of and training on six Smith & Wesson M&P-15 Patrol Rifles with EO Tech Sights.

On October 16, 2010, the Village's Emergency Management Director and the Saukville Fire Department sponsored a Community Preparedness Functional Exercise to simulate a hazardous materials spill incident with complications at CCP. This event was very useful as training for everyone concerned.

Mayfair Drive was in the process of being refurbished so the Utilities Department checked all sanitary manholes (9-11) and found they were leaking. Utilities used new technology to raise the manholes to grade level with a recycled material product that one person could lift alone rather than lifting concrete rings with a backhoe.

South Main Street had a fire hydrant that needed replacing because it was leaking water and couldn't be turned off. It didn't have a pumper nozzle connection or a shut off valve which would be needed in case of a fire in the area. This hydrant was changed out with the free cooperation of WE Energies as they held their electric pole in place during the work.

In addition to the rain garden at Village Hall, two more rain gardens were added to the Village ... one at the Department of Public Works building and one at Oscar Grady Library.

The \$6+ million Wisconsin Humane Society Ozaukee Campus Victoria Wellens Center is now open for business. This beautiful 22,000 square foot building located on HWY 33 just west of Saukville's Post Office is Gold LEED Certified ... the first LEED certified shelter in the Midwest.

This past fall, Milan Estates, a community based residential facility, opened its doors to its first assisted living residents.

The very successful La Chimenea business plan that has operated in Germantown for a number of years is now also available in Saukville on Foster Drive.

Jay and Jody Schwanz have taken over the operation and ownership of Wagen's since the building was purchased by Rob Brooks. The name for this new Business "APP" is J'Sports Bar & Grill.

Tanya Haswell has taken her business, "Now It's Personal Photography", to a new level with the purchase of the building at 117 South Mill Street.

By the end of summer, 2011, our Walmart store will have the appearance of a totally new building ... inside and out and including the parking lot. Walmart's size will increase to 153,283 square feet as it adds 56,650 square feet and becomes a Supercenter.

This Business Expansion "APP" is the right answer to the question of Walmart wanting to grow in Saukville and Saukville's need to keep the existing building occupied. Walmart has promised to keep the renovated building and grounds in much better shape moving forward. Documents created between the Walmart group and the Village of Saukville will provide certainty to all concerned that the new partnership will be respectful of the needs of all.

With regard to the Future Business "APP" of Saukville, construction continues on MShiraz, a distributor of exclusively Wisconsin wines, in our Business Park. This 7,500 square foot building will provide warehouse and office space for this growing business.

Patrice's has a new owner whose intention it is to open a restaurant called the Firehouse Inn. The interior of the building will be a firehouse theme and the menu will be varied and affordable.

In 2011, it is my expectation that the Village Board and staff will spend some time looking into the use of social media to "get the word out", as it were, to help with local development. This is an avenue we need to explore and use to its best advantage.

I closed by reminding everyone that, as we have in the past, we will continue to watchdog the Village budget making sure all taxpayer funds are wisely spent. 2010 offered only a .6% increase in operating expenses which I believe to be commendable since even utility costs went up considerably more than that amount. The Village Board and Village Administrator always spend whatever time is necessary to trim expenses to minimums while still providing services the public deems to be important.

Please be reminded that each of the above listed "APP's" would not have taken place without the excellent team work Saukville experiences among the Village Board, various Committees, the Management Team, staff and, last but not least, our volunteers. As residents, we can be proud of each of these groups and the things they make happen!

Regardless of how the politics play out at the State level, I believe the Village's budget will be challenged even more in the future than it has been in the past. If you have ideas or thoughts you want to share on efficiencies you might suggest, please email them to me at bdickmann@village.saukville.wi.us

Have a wonderful spring and summer and please remember to be optimistic in challenging 2011 to be better than 2010!!
In service,

Barb

HOLIDAY HOURS

**Regular Hours: Monday through Friday
8:00 a.m. to 5:00 p.m.**

**OFFICES CLOSED AT NOON - FRIDAY, APRIL 22, 2011
OFFICES CLOSED ALL DAY - MONDAY, JULY 4, 2011**

VILLAGE'S TRASH & RECYCLING SERVICE

Veolia Environmental Services provides roll-out garbage and recycling carts to all residential households. Collection is every Thursday; Friday during a holiday week. Carts must be placed curbside by 7:00 a.m. on pick-up day. Carts must face the street as indicated by the arrow, must be fully accessible, and be placed side by side with a minimum of three feet of space between carts and/or other obstacles. *Recycling will be collected only every other week.* Recycling collection dates are posted on the Village website under the Navigation Menu - "Recycling Collection" link and can also be found on the Village's Government Cable Access Channel 25. Information is also available at Village Hall and Oscar Grady Library. All recyclable materials (paper, plastic, glass, metal) can be placed in the same recycle cart; there is no need to separate. Residents are urged not to place garbage loosely in carts as this will lead to odor and pest problems as well as blowing materials when the carts are emptied. Any garbage or recyclable materials placed curbside in any container other than the carts will not be collected.

Large Items: To dispose of large items such as furniture, mattresses, and appliances, you must arrange for special pick-up by Veolia or take items to the Veolia drop-off site at 803 North River Road, West Bend. There is a fee for large item disposal. Contact Veolia directly at 800-387-0949 for prices and information.

EASTER EGG HUNT- SATURDAY, APRIL 23, 2011

This year's Easter Egg Hunt will be held Saturday, April 23rd, at Grady Park, beginning at 10:00 a.m. This event is for children ages 9 and under. There will be treats for all, prizes for the lucky few, and a visit from the Easter Bunny! This annual event is sponsored by the Saukville Moose Lodge and Saukville American Legion Post #470.

PLANNING A PICNIC?

Village park facilities are available for rent. Resident and non-resident fees apply. Information can be found on the Village website at www.village.saukville.wi.us/recreation. Call Village Hall for availability.

VILLAGE NEWSLETTER MAILING ANNOUNCEMENT

The Village Newsletter is published three times a year. All newsletters can be found online at www.village.saukville.wi.us. Only the Spring Newsletter is mailed to all households. You can pick up a copy of any current newsletter at Village Hall or Oscar Grady Library during regular business hours.

MEDICINE/PRESCRIPTION DROP-OFF

The Saukville Police Department now has a Med-Return Collection unit located in the lobby of the P.D. building at 649 E Green Bay Ave. Residents can drop unwanted or expired prescription, over-the-counter, and other unused household medications in the drop unit Monday through Friday during regular business hours for proper disposal.

APPRAISAL/REVALUATION IN 2011

The Village's assessment firm, Accurate Appraisal, LLC. is scheduled to do a full reassessment of all properties in the Village between March and July 2011. This will be an outside inspection only. Your cooperation with the appraiser will be greatly appreciated. They will have credentials when they come to your property. If you have questions, you can contact Village Hall or Accurate Appraisal at 800-770-3927.

ASSESSMENTS/OPEN BOOK/BOARD OF REVIEW

The 2011 Open Book has been scheduled for June 22nd from 11:00 a.m. - 8:00 p.m. and June 23rd from Noon - 7:00 p.m. You are welcome to visit Village Hall during these hours to meet with the Assessors and discuss assessment values for your property. The Board of Review is scheduled for July 11th from 6:00-8:00 p.m. If you have questions on your current assessment value, you may call Accurate Appraisal; you do not need to wait until the Open Book session. Accurate Appraisal can be reached at 800-770-3927 or e-mail at info@accurateassessor.com.

JULY PROPERTY TAX PAYMENTS

All 2011 property taxes not paid by January 31, 2011 must be paid to the Ozaukee County Treasurer. Second installment payments are due to the County Treasurer by July 31, 2011. Make checks payable to the Ozaukee County Treasurer and mail to P.O. Box 994, Port Washington, WI 53074.

RUMMAGE & REAL ESTATE SALE SIGNS

The Village has an Ordinance regarding rummage/ garage sale, real estate, directional, or informational signs. Such signs must comply with traffic visibility requirements and are not permitted in Village parks or median areas. Improperly placed signs will be confiscated. Signs shall be erected no more than 24 hours before a rummage sale and taken down no later than 24 hours after. For more information, contact Village Hall, Zoning Administration.

Village Cable Station ... Remember to check out Cable Channel 25 for up-to-date information on Village meetings, services, and events.

FIRE HYDRANT FLUSHING

The Saukville Water Department will be flushing hydrants throughout the Village weekdays between 8:00 a.m. and 3:00 p.m. **April 11th through April 22nd**. There may be some discoloration in your water during this process. This is iron and is not harmful. We recommend that you do not do laundry if your water is discolored. If you forget and your clothes have a reddish appearance, **DO NOT DRY THE CLOTHES**; rather rewash in cold water to remove the discoloration. Running the tap for a short period of time will clear the lines after the flushing in your area is completed.

MEDICINE COLLECTION

Please do not discard old medications by flushing them down the toilet or throwing them in the trash. Save them in their original containers in a safe place. You can drop them in the Med-Return Collection box located in the lobby of the Village of Saukville Police Department, Monday through Friday during normal business hours, for proper disposal.

PAYMENT OPTION

You can pay your Village water utility bill online! Just go to the website - www.officialpayments.com - click on Local; Wisconsin; Saukville, Village of; utility payment; then enter amount of payment and appropriate information. There is a convenience fee of 2.75% for credit card use and a flat fee of \$2.75 for e-checks. We also offer **automatic withdrawal** from your checking or savings account. Your quarterly payment can be deducted automatically from your selected account on the 25th of the billing month, at no additional charge. Go to the Village website (Village Services/Water & Sewer Utility) to download a form to sign up for automatic withdrawal. We can also arrange a payment plan if necessary. Contact Village Hall for more information.

ON DEMAND WATER SOFTENERS

Consider buying an *On Demand* water softener when a new one is needed or an old one is replaced. The DNR would like the Village to lower its chloride output into the Milwaukee River. By using an *On Demand* water softener, which only regenerates based on the volume of water used, you will be saving money which, in turn, uses less salt and water thus reducing the chlorides coming into the Wastewater Plant.

PLUGGED SANITARY SEWER LATERAL

If you find water standing in your basement, stop using water in your house. Watch the height of the water on the basement floor; it should stop coming up, then either stay the same or go down slowly.

This indicates that you may have a plugged sanitary sewer lateral leading to the main sanitary sewer line and you should call a plumber immediately. Remember that your low flow 1.3 gallon per flush toilet has very little water to flush the solids out through the lines. Be careful what you flush. A lot of paper product in your toilet requires a lot of water to move it along.

WATER CONSERVATION TID-BITS

- Soak, don't spray. Install drip-irrigation or soaker hoses for more efficient watering in planting beds and beneath shrubs and trees.
- Do it the hard way. Use a broom or rake (not a hose) to remove debris from driveways and walkways. It saves water and it's good exercise!
- Conserve water naturally. Select plants that are native to your region and can thrive with little or no extra watering. Your local nursery can help you identify and select drought-tolerant plants.
- Keep it cool. Water your lawn and plants early in the morning when the sun's rays aren't working to evaporate your water.
- Let it grow. Adjust the height of your lawnmower to cut your grass higher. This helps protect roots from heat stress and reduces the loss of moisture to evaporation.
- Sidewalks don't need water. Avoid planting turf in areas that are difficult to irrigate properly such as steep inclines and isolated strips along sidewalks and driveways.

SUMP PUMPS

Please remember to check your sump pump and make sure it is hooked up correctly to the discharge lateral and **not** to the sanitary sewer system. Per Village Ordinance, it is illegal to hook-up or discharge storm water or clear water into the Village's sanitary sewer lines. Since all discharges to the sanitary sewer end up at the treatment plant, this creates additional problems to properly process the wastewater for eventual discharge to the river.

HIGH WATER BILLS AND WATER LEAKS IN HOMES

When your water bill becomes higher than normal, there is usually a leak in your home. 95% of all leaks are toilets and most times you cannot hear the leak. We recommend that you check your toilets every 6 months to make sure they are not leaking. Place a drop of natural food coloring in the tank - do not flush. Check it in 20 minutes. If color appears in the bowl, it is leaking water. The toilet most likely leaking is the toilet rarely used. This is also a good time to operate all of your valves in your home and to start reading your meter weekly to make sure you have no leaks and that you are only billed for the water you use.

Emergency Management

TORNADO AND SEVERE WEATHER AWARENESS WEEK: APRIL 11TH - 15TH

Tornado and Severe Weather Awareness Week is a good time to go over the plans you have made to ensure the safety of your family when severe weather strikes. Be prepared.

A STATEWIDE TORNADO DRILL - PLANNED FOR THURSDAY, APRIL 14, 2011.

The Village will sound the warning sirens for this drill between 1:15 and 1:30 p.m. If actual severe weather occurs anywhere in the state on April 14th, the drill will be postponed until April 15th.

Economic Development

2011 SPRING COMMUNITY DEVELOPMENT

NEW AND UNDER CONSTRUCTION - COMMERCIAL:

Walmart's expansion and redevelopment is moving forward on schedule. Planned completion is fall of 2011. The store will remain open during construction.

A wine distributorship, MShiraz, is nearing completion of its new facility at the Progress Development Condominiums at 658 North Progress Drive.

Cramer Coil and Transformer Co. Inc. is completing land acquisition and aggregation plans to accommodate their first phase of building expansion anticipated to begin in summer 2011.

A new restaurant, The Firehouse is coming to 100 South Main Street, formerly Patrice's. Anticipated opening is early May 2011.

The Wisconsin Humane Society's Victoria Wellens Ozaukee Center, 630 West Dekora Street, had its official ribbon-cutting/grand opening on Saturday, March 26, 2011. The facility is now open to the public.

FARMERS MARKET 2011

This year's Farmers Market will run from June 19th through October 30th (closed July 3 & Sept. 4). The market features fresh, in-season Wisconsin produce grown by area farmers, as well as greenhouse and floral products, and hand made crafts. Please support this worthwhile community activity emphasizing "grow local, buy local, eat local" common sense economics, Sundays - 9:00 a.m. to 1:00 p.m. in Veterans Park, Downtown Saukville.

Department of Public Works

649 S. Main Street (262) 284-0545

YARD WASTE (COMPOST) DISPOSAL

How do you get rid of garden waste, leaves, and lawn rakings from your spring yard clean-up? Wisconsin DNR strongly recommends that these materials NOT be placed in the street at any time. Place them in bags, buckets, or other suitable containers and bring them to the compost drop-off site at Public Works.

COMPOST SITE - SATURDAYS ONLY - APRIL 16 - NOV. 12

SPRING DUMPSTER - APRIL 23 & 30, MAY 7 ONLY

****REFER TO INCLUDED FLYER FOR COMPLETE INFO****

CURBSIDE CHIPPING

The Village chipping crew will begin touring the Village **starting April 4th and continuing every Monday through October 31st**. PLEASE stack branches (3" maximum diameter) neatly on the parkway (area between the sidewalk and curb), with cut ends of the branches facing the street, by 6:30 a.m. on Monday mornings. DO NOT place branches on the sidewalk or street. DO NOT place branches curbside sooner than the immediate preceding weekend. We DO NOT chip tree stumps. The chipping crew is limited to 20

minutes per address, after which a \$25.00 fee is charged for each additional 20 minutes at the property owner's request. The crew will make only one pass per side of the street per chipping event. There will be NO BRUSH DROP-OFF accepted at the Compost Site.

HOUSEHOLD HAZARDOUS MATERIALS DISPOSAL

Household hazardous materials are typically comprised of paints, pesticides, waste fuel, anti-freeze, and typical household cleaners. These materials must NOT be placed in the trash. They can be taken to the Ozaukee County Hazardous Waste Collection Site (information below). Fees will be charged on a per pound basis.

Note: Waste oil should be taken to the Ozaukee County Highway Department, 410 South Spring Street, Port Washington.

On behalf of Character Counts! Communities, the City of Port Washington, the Village of Saukville, and the Port Washington - Saukville School District ask adults to join in working together to strengthen the character of our youth in the community. Please do your part to model these values to youth in our community "everywhere...all the time!" Listed below are the values that form the core of the Character Counts! Program: the Six Pillars of Character are:

- **Trustworthiness:** Build trust and credibility with integrity, honesty, promise-keeping, and loyalty.
- **Respect:** Honor the worth and dignity of all individuals. Treat others the way you want to be treated. Act courteously, civilly, peace-

ably, and non-violently. Be tolerant and accepting of differences. Avoid rude, offensive, and abusive words and actions.

- **Responsibility:** Be accountable for your words, actions and attitudes. Exercise self-control. Strive for excellence and self-improvement. Plan ahead. Set a good example for others. Be self-reliant, prudent, proactive, and hard-working.
- **Fairness:** Be consistent, open, and treat all people equitably. Consider all sides and make decisions on the facts without favoritism or prejudice. Play by the rules, avoid careless accusations, and don't take undue advantage of others.
- **Caring:** Show solidarity. Be kind, compassionate, empathetic, charitable, forgiving, and grateful.
- **Citizenship:** Obey laws in good faith. Do your share to improve the well-being of fellow citizens and the community. Protect the environment, volunteer, participate in the process of democracy by staying informed and voting.

This year's themes are "One World, Many Stories" for ages 2 -11, "You Are Here" for ages 12 and up, and "Novel Destinations" for adults. Registration begins June 13th. Special guest performers and programs are being planned. The program is free and full of fun, hands-on activities and incentives to keep kids reading during the summer. Calendars and further information will be available at the library and on our website, www.oscargradylibrary.org

Saukville Police Dept.

649 E. Green Bay Ave.
262-284-0444

LICENSE PLATE/VEHICLE REGISTRATION

The Saukville Police Department issues license plates for passenger cars, trucks, and motorcycles. Vehicle registration services are also available. We offer this service Monday - Friday from 8:00 a.m. to 7:00 p.m. To register a vehicle, please bring in the signed title, release of lien paperwork (if applicable), and identification. For more information, please call the Saukville Police Department.

BOATING AND ATV SAFETY CLASSES

The Police Department will be offering a Department of Natural Resources Certified Boating Safety Course this spring; the date and time to be determined. Contact the Saukville Police Department for exact dates, times, and information.

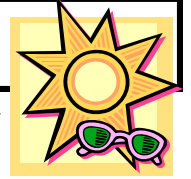

CURFEW ORDINANCE

The Village of Saukville has an 11:00 p.m. curfew for minors under the age of 16 years. Parents will be held accountable for any vandalism that their children do to Village property. Please know where your children are and urge them to obey the Curfew Law.

BICYCLE LICENSING

For a \$3.00 fee, the Police Department will issue a non-expiring bicycle license. Pick up a registration form at the Police Department. Village Ordinance requires all bicycles operated on Village streets, alleys, or public highways be licensed.

Summer Playground Program

The Village of Saukville offers a Summer Playground Program that offers creative and energetic leaders, active games, theme craft sessions, and fun field trips. A trip to the Port Washington outdoor pool is offered once a week (weather permitting). Our goal is to offer a safe and worry free experience for both the child and parent. This is not a day-care program, rather an afternoon alternative of outdoor fun and structured activities for kids ages six (and entering 1st grade) through 14 (and not yet in high school). Parents must have alternate arrangements in place in the event of emergency closing.

The Playground Program runs Monday through Friday 12:30 to 5:00 p.m. (Wednesdays to 4:30 p.m.) We will be closed on July 4, 2011. Programming begins Monday, June 20th at Grady Park and runs through August 12th. **Registration begins Monday, May 9, 2011 at Village Hall (Monday - Friday, 8:00 a.m. to 5:00 p.m.)**

Registration at Village Hall is required before your child can attend the Summer Playground Program.

An Open House and Registration will be held at Grady Park on Tuesday, June 14th from 6:00 to 7:30 p.m.

The fee for Saukville residents is \$110.00 per child; family maximum \$220.00. Non-resident fee is \$125.00 per child. A t-shirt is included with your registration fee.

Registration forms for the Summer Playground Program are available online at www.village.saukville.wi.us (Community/Recreation). You can view the entire 2011 Village of Saukville Park and Recreation Program and print any desired sections or forms. Copies are also available at Village Hall and Oscar Grady Library. River Fest Community Clean-up – May 21, 2011

Come join the **16th Annual Saukville River Fest**, a time dedicated to cleaning along the banks of the Milwaukee River, Village parks, and streets! This event, scheduled for **Saturday, May 21, 2011** is sponsored by the Village Room Tax and includes participation of local businesses. The event promotes family, fun, cooperation, and environmental responsibility and awareness among citizens.

Check-in begins at 8:30 a.m. at Grady Park with clean-up to follow until about 11:30 a.m. Bus transportation will be provided for volunteers to work various sites. Participants are strongly urged to wear long pants, shirts, heavy duty shoes, and gloves for safety. Fully enclosed footwear **MUST** be worn. Lunch is provided at Grady Park after the clean-up and participants will receive a "thank you" gift.

Registration is required for participation. Minors must have at least one (1) parent/guardian, or approved responsible adult, accompanying them the day of the clean-up. Community groups are encouraged to participate.

Obtain a registration form at Village Hall, Oscar Grady Library, or download the form from the Village website. Advance registration forms should be turned in at Village Hall by 4:00 p.m. Friday, May 20, 2011 or you can register the day of the event at 8:30 a.m. at Grady Park.

For more information, please call Mike Krocka at 284-7811 daytime and 284-0004 evenings or Village Hall at 284-9423.

Fire Department

520 West Dekora Street
Non-Emergency (262)284-5800

Chief Gilly Schultz and the members of the Department would like to thank those Village residents and businesses who "Adopted the Neighborhood Fire Hydrant" this past winter season. We appreciate this show of community spirit and cooperation with the Department.

As spring turns to summer, the Fire Department would once again like to remind all residents there are several Village fire safety ordinances frequently violated. Violators may receive a citation and a bill for fire services if we respond to complaints of illegal burning.

\$101-17 B(1)(a) The use of electric, charcoal, wood or gas portable or permanent cooking grills designed and sized for normal residential outdoor use will not be permitted to be used or stored above the first story of any building, including on a balcony, raised porch, or platform. Fire Department officials have noticed grills of various sizes and types on balconies of apartment and condominium buildings.

IF YOU HAVE A GRILL ON A BALCONY PLEASE REMOVE IT.

\$101-17 B(1)(e) Recreational campfires in a covered or approved container or device located at least 10 feet from all combustibles, buildings, decks, and lot lines, with prior written permit from the Fire Chief, are permitted with special requirements that must be followed. Permits are available at Village Hall during regular business hours. Recreational campfire devices are not allowed on combustible (wooden) decks.

The Saukville Fire Department has received its newest piece of apparatus and the Port Washington Fire Department will host the formal "Baptism" or Wet Down at the Saukville Fire Department on July 9th. Watch for more information as the date approaches.

Chief Schultz is pleased to announce the appointment of Carolyn Flood as Lieutenant/Training Officer of the Emergency Medical Services Division of the Fire Department. Lt. Flood replaces Phyllis Carrier who retired after many dedicated years of service to the community.

We are currently looking for men and women who wish to serve their community as a paid, on call fire fighter or EMT. If you are interested, please stop at the fire house any Monday night between 6:30 - 7:00 pm. You may also pick up an application at Village Hall. You will be glad you did!
