USE OF VILLAGE OF SAUKVILLE PARKS

The Village of Saukville park system is comprised of eight parks with nearly 80 acres of recreational area. All park facilities are available to local residents and their guests.

Reservations must be made for private use of the Grady Park or Quade Park pavilions by calling the Municipal Center between 8:00 a.m. and 5:00 p.m. weekdays. There is a fee plus a security deposit for reserving either pavilion. There is no fee for reserving village ball fields. Please note: Reserving a pavilion *does not* automatically reserve the ball field. Village teams have priority over ball field use.

The tennis courts at Grady Park and Quade Park are available on a "first come-first serve" basis. The courts at Grady Park are lit until 11:00 p.m. daily. The switch on the southwest light activates the lights for a 30 minute period. The Village park system is available for all to use and enjoy. Please keep the parks clean and safe for everyone's benefit and enjoyment!

All remaining participants are requested to utilize Grady Park. **Programming and registration will begin June 14th at both parks and continue daily through August 13th.** Registration is also accepted at Village Hall prior to June 14th. The program runs Monday through Friday from Noon until 5:00 p.m. and is for children ages 6 and entering 1st grade through age 14, including those not yet in grade 9. A trip to the Port Washington outdoor pool is offered once a week (weather permitting). A bus will take the children from Grady and Quade Parks to the pool. Children are required to pay their own admission, either by pass or by daily fee. A minimal bus transportation fee will be charged.

The Recreation Director has the sole discretion to cancel the day's activities due to inclement weather or threat of inclement weather. Parents should have alternate arrangements in place in the event of emergency closing. When parents are not readily available, children must know their alternate location if the parks are closed.
