

NEW ONLINE BUILDING PERMIT PORTAL

The Village's of Grafton and Saukville are excited to announce the launch of a **new online building permit portal** starting mid-October. The new website and program, called **SmartGov**, will allow contractors and homeowners to create an account and apply for building, electrical, plumbing, HVAC, fire protection, and other permits online. Online payment of permit fees will also be an option for the first time.

Important information:

- **Public Portal:** <https://vlg-grafton-wi.smartgovcommunity.com/>
- Submitted a permit for Grafton or Saukville in the past? Please call 262-375-5305 to receive your one-time **Access Code** to create a user account to link your past and future permits.
- **Online payment** of permit fees will available through the Portal.
- The Village will still accept paper permit applications through 2021 and will transition to online only submittals in 2022.

For more information on the Village of Grafton's and Village of Saukville's use of SmartGov, contact Jessica Wolff at jwolff@village.grafton.wi.us or 262-375-5303.
